**Subcommittees**

24. The committee may at any time constitute such sub-committees for such purposes as it sees fit.

25. The DAC may use subcommittees to reach a resolution on cases of low impact but which require particular specialist expertise, between meetings of the DAC. A definition of low impact cases can be found attached to this constitution in Appendix 1. A subcommittee can include any number of members of, or consultants to, the DAC appointed under sections 4.1, 4.2 and section 23, felt to be appropriate. The DAC Secretary is responsible for ensuring appropriate membership of all subcommittees. The DAC secretary may also defer any low impact case from scrutiny by a particular subcommittee, therefore requiring its consideration by the full committee.

26. A resolution reached by a sub-committee on a case must have the unanimous agreement of all its members, and must always reported to the next full meeting of the DAC, for note. Should a complete consensus not be achieved within the subcommittee, the case must be referred back to the full DAC for resolution.

**Secretary**

27. The secretary to the committee is appointed by the bishop after consultation with the chair, and the diocesan secretary.

**Delegation**

28. The committee may delegate the exercise of any of its functions to an officer of the committee.

29. Private petitions for memorials in churchyards are delegated to the relevant archdeacon, without reference to the wider committee, its members or consultants, unless the archdeacon considers such consultation necessary in the particular circumstances.
