

The Honourable Company of Gloucestershire

Plant a Tree
for
The Queen's Platinum Jubilee

The Honourable Company of Gloucestershire would like to offer Town Councils, Parish Councils and Parish Meetings two **English Oak Trees** each for planting in celebration of The Queen's Platinum Jubilee in 2022.

The trees are for planting on Parish or public ground, or on the corner of farmland or private property within the Parish, to celebrate this significant event. Perhaps a local school could be invited to adopt the trees and manage the planting, or a Parish Tree Warden or other Parishioner with an interest in plantsmanship.

The Honourable Company of Gloucestershire will have the trees delivered, bare-rooted, for immediate planting from December 2021 – March 2022, with clear planting and management advice.

The Honourable Company of Gloucestershire hopes that your Council will join in this County-wide initiative. Please apply before **30 September** using the attached application form.

The Honourable Company is grateful for the support of Gloucestershire County Council and South Gloucestershire Council and for their help in this mailing.
