

THE PILGRIM WAY

Bishop Rachel and Bishop Robert invite you to explore the Christian faith and consider baptism and confirmation

If you're over 18 and considering being baptised and/or confirmed, the bishops would like to invite you to discover more about a life following Jesus.

Adult baptism and confirmation allow you to make a public statement of your faith and trust in Jesus Christ and your commitment to follow him, as the one in whom life in all its fullness is to be found.

The Pilgrim Way is a six-session course based on 'The Pilgrim Way' on Wednesday evenings, starting on 15 February, followed by 8 March, 15 March, 22 March, 29 March (all Zoom) and 5 April at Gloucester Cathedral, 6.30pm to 8.30pm, with the bishops.

You may choose to be baptised and/or confirmed at Gloucester Cathedral on Saturday 8 April.

Explore the scriptures and the core beliefs of the Christian faith, our vision for the world, what it means to live as a Christian, and worship.
