**Notes:**

Please contact one of the contractors listed on the table in cases 'out of hours' emergencies in line with the Emergency Advisor Notes. If a contractor requires an instruction to undertake works once on site please contact Colin Scorer on 07706 836 479.

All occupants should issue the 'Asbestos Management Report' to the contractor prior to commencing works. This has been issued to you previously by email and with a request to place a hardcopy in the airing cupboard.

If an out of hours call is made, inform the Property and Development Department Personnel listed below when the office is next open (Monday – Friday 9am – 5pm) to obtain an order number by emailing [repairs@glosdioc.org.uk](mailto:repairs@glosdioc.org.uk)

Any work **not** deemed to be an emergency or relate to a false callout e.g. an occupants electrical appliance tripping the electrics, the expense will be invoiced to the occupant.

Please ONLY contact Ecclesiastical Insurance if windows or doors have been damaged resulting in a security risk. The works will be covered under the Diocese's House Insurance. This number should be used when a problem occurs 'Out of hours' and only if the problem provides a security risk.
