

Individuals visiting Church House

A small number of visitor and accessible parking spaces are available outside the front entrance of Church House.

In addition, there is free on-street parking in a number of zones close to the building. The map shows the location of parking areas, permitted parking time and the distance from the office.

The building has a ramped entrance at the front of the building and accessible toilets, meeting rooms and office space.

Church House is approximately a 15-minute walk from Gloucester bus station. The numbers 10, 94X, 95 and 882 bus routes run regularly through the day and stop near to the office.

A bike rack can be found at the rear of Church House, on the left of the path leading from the staff car park to the building. Please bring your own lock.

When you arrive, do step into the porch and your host will come to meet you. If you run into any difficulties, there is an intercom button in the porch.
